

GENERAL EDUCATION INTERVENTION SUPPORT SERVICES AVAILABLE

Support Services are available to assist teachers and families when concerns arise with students. These services include building staff (special education teacher, counselor, nurse, health secretary, etc.) and Grant Wood Area Education Agency staff (psychologist, social worker, consultant, speech-language pathologist, occupational and physical therapist, and others).

Teachers and families may use input on an informal basis or request formal assistance in identifying strategies to address a concern, in carrying out these strategies, or in monitoring individual student progress.

These services are available for all students by teacher or parent request through the counselor at the student's school.
