3.1. SBRC FY22 SWVPP Increased Enrollment - Funding Request Action Item

The Iowa general assembly granted authority for the School Board Review Committee to award funding to districts that experience an increase in statewide voluntary preschool program (SWVPP) enrollment in the 2021-2022 school year resulting from the decrease in the 2020-2021 school year, during which many parents kept their children home due to the COVID-19 pandemic. As part of the district's response to the impact of the COVID-19 pandemic, the district's administration is authorized to submit a [request](#) to the School Budget Review Committee for funding related to FY22 SWVPP increased enrollment in the amount of \$46,975.50.

"I move to approve the resolution for funding our statewide voluntary preschool program in the amount of \$46,975.50."
